Center Policies

Exclusion of Ill Children

Children who are ill may not return until they are symptom free for 24 hours. They must also be fever free for 24 hours, without the use of fever reducers. If your child becomes ill during program hours, you will be notified and requested to pick up your child immediately. Our staff will administer first aid for minor injuries. You will be notified if your child needs prompt medical care.

Fees

Fees must be paid by check, cash or credit card as indicated in the tuition payment schedule. You also have the option to keep a credit card on file for payments. There is a late payment fee if your child is picked up after 6:00pm. One will be charged a dollar per minute after 6:00pm.

Attendance and Pick Up

Only people you authorize in writing may pick up your child from the program. Children must be picked up from the program on time, or late charges will apply.

Termination of Care

We will make every attempt to work with children and teach appropriate behavior however we will suspend or terminate children as a last resort. We have the right to suspend or expel children from our program if they or their families threaten safety or interfere with the sustainability of a quality program.

Personnel Policies

Staffing is a key to a high-quality child care program. Each staff member goes through an extensive hiring process including a criminal history background check, reference checks, and interviews. We follow the DHHS staff qualification and training guidelines. Staff receive annual training relating to children, health and safety skills and are First Aid and CPR certified. Staff must complete a health physical (no requirement of immunization record). Staff that are ill will be expected to follow the same guidelines as set in the exclusion of ill children.

Disaster Preparedness

Each Room will have a diagram of locations to go in event of a disaster and will include building evacuation plans. Each room will have a diagram of locations to go in event of a disaster and will include building evacuation plans. The participant binder will be taken with the group in the emergency situation. If there is an emergency that requires

building evacuation there will be a secondary "safe location". Parents will be called from that location and debriefed on the emergency, participants will be picked up from the secondary location until it is safe to re-enter the YMCA. When we enroll students with special needs, we will develop an individual plan for that participant. In general, staff will provide support during this time with special needs.

Staff will read the licensed regulations on providing medication and sign that they understand the regulations.

I have received a copy of the Center's Description of Services and Policies for School's Out Fun Club at Sarpy. Please sign and return to Sarpy YMCA.
