SARPY YMCA EARLY CHILDHOOD EDUCATION

2018 WINTER SESSION: January 7 – March 3*

*Some programming runs on a different session schedule. See description for more information.

Preschool (ages 3–5 years)

The YMCA's licensed centers use The Creative Curriculum Gold, which is based on the latest research that shows that birth to 5 years are the most developmental years of your child's life. Your child's physical, social/emotional, cognitive and language skills grow in the Y's safe and nurturing environment.

Our preschool learning program promotes reading, math, science and the arts along with using Handwriting Without Tears. Our 5-year-olds graduate kindergarten-ready. There are openings—stop in and take a tour with us!
