If your child becomes ill during program hours, you will be notified and requested to pick up your child immediately. Our staff will administer first aid for minor injuries. You will be notified if your child needs prompt medical care.

Termination of Care

We will make every attempt to work with children and teach appropriate behavior however we will suspend or terminate children as a last resort. We have the right to suspend or expel children from our program if they or their families threaten safety or interfere with the sustainability of a quality program.

Personnel Policies

Staffing is a key to a high-quality child care program. Each staff member goes through an extensive hiring process including a criminal history background check, reference checks, and interviews. We follow the DHHS staff qualification and training guidelines. Staff receive annual training relating to children, health and safety skills and are First Aid and CPR certified. Staff must complete a health physical (no requirement of immunization record).

Staff discipline procedures are outlined in the Employee Handbook/Child Care Center Standards.

Staff will read the licensed regulations on providing medication and sign that they understand the regulations (pg 37-39).

Parents will receive a copy of the Parent Information Brochure from DHHS and return the Receipt of Parent Information Brochure.
