SOUTHWEST YMCA EARLY CHILDHOOD EDUCATION

2018 1ST FALL SESSION: September 2–October 27*

*Some programming runs on a different session schedule. See description for more information.

Marvelous Messes (ages 2–5 years)

Fun and messy play designed to enhance your preschooler's development. Finger painting, sand and water play, shaving cream and more.

Tuesday: 5:30–6:30 pm

Member: \$32 • Non member: \$48

Creative Movement (ages 2–5 years)

Join us as children explore movement through music, develop physical skills, and use their imagination and creativity. Begins September 10.

Monday: 9:30–10:30 am

Member: \$28 • Non member: \$41

NEW! Little Scientists (ages 2–5 years)

Enroll your little scientist to explore the exciting world of science, technology, engineering, and math! Our early childhood professionals designed this class to develop early STEM skills that encourage a love of science and curiosity through science experiments, early math concepts, engaging projects, and more.

Wednesday: 5:30–6:30 pm

Member: \$32 • Non member: \$48

Early Childhood Halloween Party (ages 2–5 years)

Bring your little ghouls, goblins, witches, and princesses to join us for the Early Childhood Halloween Party! We will have games, activities, and special crafts for a fun and spooky evening. Come dressed in your favorite costume and be ready to trick-or-treat around the Y!

Friday, October 19: 5:30–7:00 pm

Member: \$10 • Non member: \$15
