YMCA School Enrichment Program DOWNTOWN YMCA

The Downtown YMCA is excited to offer this brand NEW program to support parents with the OPS Remote Learning School Model. The YMCA School Enrichment Program will be available Monday- Friday during school hours.

The Y works to help youth discover their full potential by providing opportunities to learn, grow, and thrive amidst caring and supportive adults!

We focus on education through STEM and reading, empowering creativity through art, encouraging physical activity with sports and games. In addition, we will support your students and help aid with their Virtual Learning provided by the OPS district.

Program Details:
