How have you heard about us?

YMCA Disciplinary Policy - Please read over with your child

At the beginning of the school year, your child will be explained the "Rules of the Y" and be expected to follow the rules and take responsibility for his/her actions when the rules are broken. If rules are broken, a disciplinary procedure will be followed.

Three simple rules:

Be respectful.

Be responsible.

Listen to the adult the first time.

Consequences of Inappropriate Behavior - Definition of Inappropriate Behavior: Any behavior that fails to support the three simple rules of the YMCA.

First Occurrence:

The child will be asked if he/she knows what inappropriate behavior they have exhibited. If they do not know, the teacher will explain it to them. The child will receive a warning at this time and will be told that they will be given no further warnings. The parent will be verbally notified by the Teacher and/or the Director about the incident at the time the child is picked up for the day.

Second Occurrence:

The child will be asked if he/she knows what inappropriate behavior they have exhibited. If they do not know, the counselor will explain it to them. The child will again be given personal time to rethink his/her decision and to make a positive choice, depending on the situation. A discipline report will be sent home to the parent and must be returned and signed by the parent of the child to participate the following day.

Third Occurrence

The child will be brought to the Director and a call to the parent will be made. An explanation of the problem will be discussed with the parents. The Director will then ask the parents to come and pick up their child immediately from the YMCA. A conference between the parents and the Director must be arranged before the child can return to the program. Suspension from the program is a possibility.

I have read and understand the YMCA Disciplinary Policy included in this packet. I have also read and discussed this policy to my child who will be attending the program. I take full responsibility in helping the YMCA carry out the policy to ensure that all children

and staff have a safe and enjoyable experience in the YMCA programs.

Description of Services

The Twin Rivers licensed programs strive to give all kids the opportunity to discover who they are and what they can achieve. We offer a variety of enrichment activities that help each participant learn, grow, and thrive.

Youth participate in small, age-appropriate groups where they build self-esteem and learn new skills. Our experiences are built on the Y's core values of caring, honesty, respect, and responsibility.

The program includes daily components of: Indoor play, outdoor play, rest/quiet periods, group play, reading/book exploration, language and social development by talking and interacting with children and modeling appropriate language and behavior.

Center Policies

Exclusion of Ill Children

Children who are ill may not return until they are symptom free for 24 hours. They must also be fever free for 24 hours, without the use of fever reducers. If your child becomes ill during program hours, you will be notified and requested to pick up your child immediately. Our staff will administer first aid for minor injuries. You will be notified if your child needs prompt medical care.

Fees

Fees can be paid by credit card, cash or check as indicated in the tuition payment schedule. You also have the option to keep a credit card on file for payments.

Attendance and Pick Up

Only people you authorize in writing may pick up your child from the program. Individuals other than parents will be required to show ID when picking up child care children. Children must be picked up from the program on time, or late charges will apply.

Termination of Care

We will make every attempt to work with children and teach appropriate behavior however we will suspend or terminate children as a last resort. We have the right to suspend or expel children from our program if they or their families threaten safety or interfere with the sustainability of a quality program.

Personnel Policies

Staffing is a key to a high-quality child care program. Each staff member goes through an extensive hiring process including a criminal history background check, reference checks, and interviews. We follow the DHHS staff qualification and training guidelines. Staff receive annual training relating to children, health and safety skills and are First Aid and CPR certified. Staff must complete a health information record (no requirement of immunization record).

Disaster Preparedness

- Each Room will have a diagram of locations to go in event of a disaster and will include building evacuation plans.
- The participant binder will be taken with the group in the emergency situation.
- If there is an emergency that requires building evacuation the court house and Parents will be called from the YMCA and debriefed on the emergency, participants will be picked up from the secondary location until it is safe to re-enter the school.
- When we enroll students with special needs, we will develop an individual plan for that participant. In general staff will provide guided support during this time with special needs.

Description of Center Services and Policies

I have received a copy, read and understand the Description of Center Services and Policies. I will abide by the standards at all times.
