1st and 2nd offense: The inappropriate behavior will be discussed with the child as well as positive alternatives by their teacher.

4th offense: A meeting will be scheduled with the child’s teacher/counselor, director and family before the child is allowed back into the program. If the behavior continues and threatens the safety of other children, suspension from the program can be implemented.

Any child who exhibits aggressive, physical behavior towards another child or adult will have his/her parents contacted and the parent may be required to come and pick up their child from the program. Immediate dismissal will result if a child is continuously exhibiting behaviors such as biting, inappropriate language, hitting, spitting, or otherwise harmful behaviors. The Suspension, Expulsion and Reinstatement process will be used. Please see your program director for more information.

I have read and understand the above policy. I assume the responsibility for insuring my child is aware of this policy and the consequences of his/her actions should there be such offense.

Licensed Child Care

You have chosen to use a licensed Child Care provider for the care of your child or children.

According to Nebraska State law (Neb. Rev. Statute 71-1909), the licensing and regulation of Child Care programs exists to protect children and to assure parents in making informed decisions about the enrollment and care of their children in Child Care programs. These licensing and regulatory responsibilities are within the Department of Health and Human Services (DHHS).

Nebraska Law requires anyone providing care to four or more children from different families, for compensation, to be licensed.

The Types of Licensed Child Care in Nebraska are:
- Family Child Care Home I
- Family Child Care Home II
- Preschool
- Child Care Center
- School-Age Only Center

Roles and Responsibilities of Child Care Licensing

The roles and responsibilities of DHHS Child Care Licensing staff are to ensure that programs are providing proper care for and treatment of the children they serve, and that the care and treatment are consistent with the child's physical well-being, safety, and protection.

Licensed Child Care programs are encouraged to involve you. We urge you to let your Child Care provider's staff know of any concerns. There may be situations where you believe the program is not responding to your concerns or may not be meeting state licensing standards. This brochure, which Child Care providers are required to share with you, provides information that might be helpful in these situations. Please complete the receipt section and return it to your Child Care provider. This will be kept with your child's records.

Expectations of Child Care Consumers

As a consumer of Licensed Child Care you should:

Read thoroughly all the information your provider gives you.

Complete your Child's Record Forms and return to your provider before your child begins care. Review and update these records as needed.

Supply your provider with your child's immunization records and keep them updated as needed.

Sign and date the receipt of this Parent Information Brochure for Licensed Child Care and return it to your provider before your child begins care.

Talk to your Child Care provider regularly to address needs and concerns for your children in care and as a parent.

Be informed of the child care regulations. Make sure you know what your licensed child care provider is regulated to do or not do.
