SARPY YMCA EARLY CHILDHOOD EDUCATION

Preschool (ages 3–5 years)

The YMCA's licensed centers use The Creative Curriculum Gold, which is based on the latest research that shows that birth to 5 years are the most developmental years of your child's life. Your child's physical, social/emotional, cognitive and language skills grow in the Y's safe and nurturing environment.

Our preschool learning program promotes reading, math, science and the arts along with using Handwriting Without Tears. Our 5-year-olds graduate kindergarten-ready.

There are openings—stop in and take a tour with us!
