September 17-December 16
Tuesday & Thursday: 10:30-11:45 am

COMMUNITY BASED HEALTH PROGRAMS

Delay the Disease™:

An evidence based fitness program, led by certified Delay the Disease™ instructors, designed to empower individuals with Parkinson's disease by optimizing their physical function and helping to delay the progression of symptoms.

Participating locations: Maple Street YMCA, Sarpy YMCA, and Southwest YMCA

Cost: This program is open to YMCA members and non members. Delay the Disease is FREE to YMCA members. Non members, please visit a YMCA of Greater Omaha Welcome Center to learn the fees for each session or contact Theresa Lovings.

LIVESTRONG® at the YMCA:

Is a FREE 12-week group training program designed for cancer survivors. The program includes cardiovascular exercise, strength training, flexibility training, and balance. Participants receive one-on-one attention in a group setting, which creates a safe and comfortable workout environment. FREE to members and the general public + FREE household membership while participating in the program!

Participating locations: Armbrust YMCA, Charles E. Lakin YMCA, Maple Street YMCA, Sarpy Community YMCA, Southwest YMCA, and Twin Rivers YMCA

Y WEIGHT LOSS:

The Weight Loss Program is designed to help people seeking a healthier weight achieve their goals by making small, modest changes to their daily behaviors, and forming sustainable healthy habits. Participants joining the program should be ready to commit to daily food and physical activity tracking as well as developing self-designed weekly action plans that incorporate what is learned during each session. This program helps participants build skills for successful lifestyle changes as opposed to advocating any specific or restrictive short term solution.

Participating locations: Armbrust YMCA, Downtown YMCA, Maple Street YMCA, Mills County YMCA, and Southwest YMCA
